**Major Topics Discussed:**

- **This DD-214 information will continue to be discussed and provided in the monthly meeting minutes until it is felt that all Post 110 members are aware.** According to the American Legion Website (<http://www.legion.org>), the IRS has revised its requirement for all American Legion Posts to maintain a copy of each member's DD-214 at the Post in case of an audit to prove tax-exempt status under section 501(c)19. Effective immediately DD-214s are only required if an IRS agent "possesses information that contradicts documentary information provided (by the veteran's service organization) or if the organization fails to satisfy a reasonable request..." As of November 26, 2013, the IRS Manual 4.76.26 was changed to reflect this revision "If an agent needs to determine the composition of membership of a veterans' organization, the agent shall initially request and collect from the organization four sets of documents: 1. Membership List; 2. Dues structure; 3. Membership applications, membership cards, or other similar documents, other than DD-214s; and 4. Documents and procedures that the service organization uses to decide membership eligibility. If the DD-214s or other discharge documents are requested by auditors the documents needs to include the name, department, component and branch of service, and record of service dates. All other personal information may be **redacted.** **The DD-214 of the discharged service member provides verification of all the requirements for eligibility.** The DD-214 still needs

to be verified by the post membership chairman or adjutant to determine membership eligibility. Active duty personnel may show their Military ID Card.

- Don Burch, a member of Post 110 and Fraternal Order of Eagles, offered Post 110 an opportunity to utilize the F.O.E. facilities at 1061 Newtown Road, VA Beach, VA 23462 to hold its meetings. This building is near Bayside High School. Post Commander Bert Wendell took a tour of the F.O.E. Aerie 3304 Building on January 24, 2014 at 11:00 AM. Don Burch conducted the tour and photographs were taken of the facilities. Utilization of the facilities was discussed. Burch took the question of monthly cost to American Legion Post 110 to the F.O.E. Executive Board on January 27, 2014. Cost to Post 110 would be \$50.00 per month to utilize their meeting room which can hold 200 people. If Post 110 decides to make the move, then Post members, on meeting nights, can utilize the bar by invitation only or become members of F.O.E. with unrestricted use of the bar. **Note:** This proposal was brought before Post 110 membership. A vote was called and the Post unanimously voted **not** to accept this offer to move its meeting location.

**Committee Reports:** The following committee reports were given:
